

Mint Hot Chocolate

Enjoy this homemade mint hot chocolate and share it with someone special. Remove the marshmallows and using a spoon mix all of the contents. Add half of the mint hot chocolate mix into a cup of boiling milk or water. Stir the mixture well until it is completely combined. Finish by garnishing it with the mini marshmallows. Hang a mini candy cane (or two) on your mug for good measure, add good company and conversation and enjoy. Happy Holidays!

cocoa powder, powdered creamer, powdered sugar, semi-sweet chocolate chips, mini candy canes, mini marshmallows.
